

***EXHIBITOR PROSPECTUS***

***November 10-12, 2023***

***Sheraton Puerto Rico Hotel and Casino***

**San Juan, Puerto Rico**

## **Who will attend the IANS Scientific Meeting?**

Scientists, researchers, physicians and advanced practice clinicians involved in the health care and scientific investigation of men and women at risk for anal neoplasia. The attendees represent multiple disciplinary fields including but not limited to, family practice, internal medicine, infectious disease, gastroenterology, general and colo-rectal surgery, gynecology, pathology and epidemiology.

## **Why exhibit at this meeting?**

We expect to attract substantial attention! Interest in anal neoplasia has grown substantially in recent years due to its increased incidence in men and women. Exhibiting at the IANS meeting provides your organization the opportunity to demonstrate your commitment to improving the prevention and treatment of anal neoplasia, to network with professionals, and to hear from the international experts in the field.
